PROFILE

An undergraduate student majoring in Biotechnology with a keen interest in Bioinformatics and Molecular Biology and also expecting to focus on a path in computational biological science.

EDUCATION

BSc in Biotechnology | SLIIT

Mar 2024 - present

- ♦ Bachelor of Science Honors in Biotechnology

Primary and Secondary Education | Viharamahadevi Balika Vidyalaya Kiribathgoda

Mar 2008 - Feb 2022

- ♦ GCE O/L in 2018
- ♦ GCE A/L in 2021 (Bio Science Stream)

CERTIFICATIONS

Sri Lanka Institute of Nanotechnology

Nov 2023 - Dec 2023

- Participated in the career development program in Nanotechnology and Advanced Characterization Organized by SLINTEC

Centre for Biotechnology, University of Sri Jayawardenepura

Oct 2023

- Participated in the workshop on Molecular Biology and Recombinant DNA Technology. Organized by the Centre for Biotechnology, Department of Zoology, University of Sri Jayawardenepura.

LANGUAGES

Sinhala - Native | English - Professional Proficiency

SKILLS

- ♦ Communication skills
- ♦ Teamwork and collaboration
- ♦ Time management
- ♦ Critical thinking
- ♦ Attention to detail
